Changes to DAFR6710 Cumulative Appropriation Disposition Balances report

The following changes were made to DAFR6710:

- Balance Type 54 Restricted Revenue Out was removed from the Excess Collected Revenue calculation in the Remaining Accrued Basis Budget, Remaining Encumbered Basis Budget and Projected Lapse algorithms.

- The Projected Lapse algorithm was modified to calculate when the UB Indicator is not equal to 2, the Appropriation Type is not equal to 3 or 4 and the amount calculated is greater than zero.
